United Way of Wilson County

The UNITED WAY to Give

Offers a unique opportunity to help many with just one donation.
What we raise in Wilson stays in Wilson!

United Way programs provide meals for homebound senior citizens, mentors for children guiding them to academic success, job training for individuals with disabilities or disadvantaged circumstances, shelter for the homeless, food for the hungry and so much more.

Community volunteers make funding decisions to ensure your donation supports vital local programs dedicated to improving the lives of all.
