

UNITED

IS THE WAY

UNITED, we will lift
1,000 households
out of **poverty** by
2035!

UNITED WAY
Wilson County

What we raise in Wilson, stays in Wilson.

The UNITED WAY to Give

United, we work in partnership with a variety of organizations to create a community of programs and resources for all citizens.

United Way of Wilson County Programs

The **United, We Care** program is dedicated to helping homeless students by filling the gaps when local resources are unable to help. Our program follows recommendations by school social workers and McKinney-Vento staff.

The United Way is also working with local businesses with resource navigators helping employed citizens find access to programs available in Wilson County.

Your United Way is working hard toward our BOLD GOAL of lifting families out of poverty.
